RISING FOOD PRICES THREATEN MILLIONS (Start: 00:25; Length: 13:23)

The prices of basic food like wheat, corn, and rice have been soaring all over the world. In many poor countries millions of people are facing hunger and malnutrition. In this *News in Review* story we'll look at what's causing this global crisis. We'll also show you how rising prices are helping Canadian farmers but hurting people in countries like Pakistan.

CHANGING CANADA'S IMMIGRATION RULES (Start: 13:59; Length: 12:50)

In late March, Stephen Harper's Conservative government announced that it wanted to make some major changes to Canada's immigration laws. The changes would give the government the power to fast-track some applications, while refusing to even consider others. In this *News in Review* story we'll look at the proposed legislation and why it is so controversial.

TIBET, CHINA, AND THE OLYMPICS (Start: 27:03; Length: 15:56)

In March anti-government riots erupted in Tibet, an autonomous region of China. When the Chinese government cracked down, there were protest demonstrations in many countries around the world. In this *News in Review* story we'll look at the violence in Tibet. We'll also show you how the demonstrators targeted China's preparations for this summer's Olympic Games.

MAKING MONEY BY GOING GREEN (Start: 43:12; Length: 14:59)

As Canada struggles to control its greenhouse gas emissions, some Canadian businesses are leading the way. They are coming up with new and exciting ways to use greener or less polluting energy sources. In this *News in Review* story we'll look at three Canadian companies that are going green and making money.
